“ My Aunt Margaret was always full of love and joy. I still remember going out to breakfast with her the last time I was in Atlanta. She always made me smile with her “and what not” references. She will be greatly missed.

“ I always remembered my sister-in-law, Margaret for her unselfishness and kind spirit. In the forty-plus years that I knew her, I never heard her say an unkind word about anyone. As I think back to years past, I always enjoyed talking to her as we sat and watched family members play cards or other games at family reunions. There was always something or someone that made us laugh. I will cherish her memory forever.

“ *My Dear Margaret, You Were like a Big Sister to me. Always taking the lead in organizing events that would bring the family together. Your laughter made everyone feel at ease and brought me joy and calmness in your presence. I will always look up to you and will always feel your presence when I feel alone. I will definitely miss you liking my Facebook posts though. Rest in Heaven my Sister-in-love.*

“ *Margaret never sought the spotlight or craved attention, but whenever a family member or a friend was in need, she was always the first to selflessly and unconditionally help out. Margaret was truly a family jewel, and she will be dearly missed.*
