“ To Theron and family:
We were so saddened upon learning of Margaret's passing. We have known Margaret for so many years, becoming even closer over the many years we trained together. I reflect on my last conversation with Margaret just a couple of months ago during the holidays. What a joy it was to see, chat, and catch up on old times with her. We will surely miss her. We pray for you and your family's strength during this time and in the days ahead.

“ We gather our thoughts and hearts to remember a cherished member of our club, Margaret Robertson whose presence brought warmth, laughter, and camaraderie to all of us. She was more than just a fellow member –she was a friend, a mentor, and a light in the Kool Poolers

Margaret's passion, dedication, and spirit will always be a part of the fabric of our group. She made a lasting impact that we will carry with us.

Though she may no longer walk beside us, the memories, the smiles, and the moments shared will forever remain in our hearts. We honor her life by continuing the values and joy she brought to us.

With gratitude for the time we had,

With sorrow for the time we've lost,

And with love that endures always.

Rest in peace, dear Margaret

I remember Margaret as a dedicated educator, a charming personality and lady of substance. She charmed you with humor and a delightful dancer. She was a very articulate lady and expressed herself very well. She will be missed as a kool pooler but mostly as a dedicated educator and friend. She will always be in my heart. Rest in Peace Margaret. With love, Mattie Matthews

“ Margaret,
My oldest and dearest friend, I remember our first time meeting at what was Armstrong State College in Savannah in August/September 1974. From that meeting we became friends (sisters) for life. e shared in each others life events, weddings, my children's births, vacations, and life's losses. God did not give me a blood sister, but he gave me a spiritual sister in you, Margaret. I am going to miss your calls, visits, loving caring spirit and your smile.

“ On the first day of pre- planning for teachers at Redan High School, I met Margaret. The year was 1978. I was new to DeKalb and Redan. I did not know anyone. At that time, Margaret had been there for two year. She became my first and dearest friend at Redan. She spent her entire career in DeKalb County at Redan. She started as a teacher. When she retired, she was an assistant principal. She touched the lives of so many students and educators. I am blessed to be one of those people. I have so many memories of her. She was a woman of faith. She had a beautiful voice. She had a wonderful smile. She had a great sense of humor. She possessed a warm and loving heart. She loved Theron dearly. They were a committed and beautiful couple. I miss Margaret. On her birthday this year, we made plans to get together sometime this Spring. I regret that did not happen. I will never forget Margaret. My love and prayers to Theron and the many people who loved her.

Dear Deacon Theron

Sending heartfelt Sympathy to you and your Family in the loss of Sister Margaret. She will definitely be missed. Her warm smile always lit up the room. I would sometimes run into her at the YMCA which was one of her favorite places. I'm glad I got a chance to give her a hug at Church on March 16. She gave me some encouraging words about my surgery the next day and told me she would Pray for me. Rest in Paradise for you have definitely earned your wings sweet Angel. 🙏🙏

Louise was such a kind, caring and thoughtful person. She always had a smile on her face. She was my cousin and a true friend. I will forever cherish the times we spent together in Savannah and will keep her forever in my heart. Theron, just know that whatever we face in this life, we're never alone for God takes our sorrows and makes them His own. Louise is now resting in the loving arms of our Lord and Savior, Jesus Christ.
