“ *Grandma Helene was the heart of our family a courageous woman whose love for God and her family was unwavering. She was our healer, our comforter, and our constant reminder of faith. No matter what we were going through, she always made sure we knew she was praying for us.*

Her strength, kindness, and quiet prayers held us together in ways words can never fully express. Her legacy of love and faith will forever live in our hearts.

We miss you deeply, but we know you're still watching over us just as you always did.

*With love,
The Dorvil, Ellis and Sims.*
