“ *My Aunt Marie was an amazing lady. As a young woman, she took care of me and my brother when we would visit our grandmother and her. After, our grandmother died, she was the sole caregiver for several nephews and niece. She was an outstanding cook, hair stylist, mother but just as important, she was a tremendous person. My memory of those days was she always was smiling and as a young boy, I felt safe in her presence. She was my mother's youngest sister and I am so glad I got to visit her in October. I will always remember her. Rest In Peace.*

“ *Dear Jones Family: Please accept my sincere condolences for the loss of your loved one. May the love and support of family and friends comfort you greatly during this difficult time. The Bible also gives us comfort and hope to see our loved ones again right here on earth by means of the resurrection. “There will be a resurrection of the righteous and the unrighteous “ May you have peace as you think about this beautiful hope for the future.*
