“ Marilyn will truly be missed. She was a graduate of the 1974 class of Northeast High School in Macon GA. Classmates love you. She was also my good friend in school. A lovely person. My condolences to her family and I lift you up in prayer. May the strength of the Lord bring you through this difficult time.

“ There are not enough words to describe the effect Marilyn had on all of us at work. She was our "Mother Earth" - always taking care of us with such a joyful attitude. Along with several pots of hot coffee and sparkling clean office awaiting us every day...she started off our long days at work with the biggest smile, the warmest hugs, the most joyful and infectious laugh...and even private prayers with anyone who asked. She was truly one of a kind...an angel of love and grace personified. Just having known her makes all of want to strive to be better persons here on earth...and while she will be missed so terribly, her shining spirit will stay with us forever.
