“ Dear Weaver Family: Please accept my sincere condolences for the loss of your loved one. May the love and support of family and friends comfort you greatly during this difficult time. The Bible also gives us comfort and hope to see our loved ones again right here on earth by means of the resurrection. “There will be a resurrection of the righteous and the unrighteous “ May you have peace as you think about this beautiful hope for the future.

“ Auntie Marilyn you are already missed!!!! Life will not be the same without but we are all very thankful for the love, care and support that you gave us. You were like a second mom to us, I can't even use past tense when I refer to you. You were such a beautiful woman inside and out. I will never forget your pies, smile, voice and hugs!!! I'm so blessed to have shared our bond and thankful that your great niece knows you very well. You raised two beautiful biological kids that are so strong and still making you proud. I promise that your sister and I... and Tre and my daddy will take care of them. I miss you soooooooooooooooooo much but I'm at peace knowing that you lived a righteous life and you are resting with your parents.

*I love you auntie...your little leech
