“ *Mark was a wonderful neighbor to my parents. I never pulled in the driveway that he didn't come over to speak to me or offer to help me if my arms were full. He always was out helping my mom or someone in the neighborhood. He will be missed by all!*

“ Sending love to family and friend of Mark during this sad time of great loss. I knew Mark during high school. He was funny and he made me laugh. Although we lost touch over the years his friendship during those years still brings a smile to my heart. Sending Love.

“ So sorry to hear the news about Mark. Please accept my condolences, Love, and prayers. Mark and I stayed loosely in touch over the years and we were friends since Elementary School (& Cub Scouts!) through Senior High School in Upper Marlboro, Md. I remember him as very easy going and happy. I have very fond memories of him and his family and his best friend Karl Scott. Sending many blessings to all of his family and friends during such a difficult time. Theo Harding

“ Sonya, we're so sorry to hear about mark's passing! He was one of a kind with a big heart for others. Being neighbors for almost 10 years was a delight to see mark taking pride with his yard! He would never hesitate to offer help with anything around the house. I remembered we went on vacation and when we got home we noticed the lawn was cut. Yes that was our good neighbor friend, mark! Most important thing about mark was that he cared about people. I remembered reeni and myself were enjoying our anniversary back on oct/2014 at pine mountain. Yes we get a call from mark out of the blue. he was wishing us a happy anniversary. I'm trying to figure how did he knew it was our anniversary. He said that we both had the same anniversary date and he remembered. That is the kind of person mark was. We thank him for his friendship. I know that heaven is rejoicing with mark. we will never forget you my friend. God bless!

*Our love and prayers is with sonya and the whole family!

“ Sonja, I am so sorry. I still can't believe it. Mark is my first lifelong friend. We've known each other since elementary school. He was my best man, and, as you know, he gave me the honor of being his best man. I've done a lot of thinking this week, and I can only recall happy, positive, joyous memories of Mark. He is in my heart forever.

*Julie and I send you our love and prayers,

“ Sonya,

*Sending our warmest condolences, love and prayers to you at this time. It was just in October 2016 that we had seen each other after so many years and such great joy to meet Mark. From just having a catching up moment and small conversations, we could see the love you two shared for one another and how wonderful Mark was as a man of GOD, person, and husband. He will truly be missed and we will continue to keep you in prayer.*

*Prayers to you, Greg & Drena McFadden*

“ Sonya,  
*It is with great sadness that I extend these condolences to you at this time. Mark was so much more than a friend to the Brown family, he was FAMILY. Of course I can share many memories from times together but the most recent memory that comes to mind was of course Thanksgiving Dinner when we had the pleasure of your company in our home. Memories, laughter, wisdom, and love is all I can remember and what a great memory that will be. I'm trusting God to hold you in the palm of His hand and carry you through this as only He can. Rest in Paradise my Brother, you will be missed immensely. Until we meet again...rest! Love and Prayers, Cynthia Brown, Baltimore, Maryland.*

“ *We extend condolences to the family and friends of Mr. Griffin. God is aware of the sorrow and pain that death causes and He empowered Jesus to resurrect dead ones when he was on the earth. Jesus confirmed his role in resurrecting ones who fall asleep in death when he said: "I am the resurrection and the life. The one who exercises faith in me, even though he dies, will come to life."*
