“ *Marlon Martin. I cannot believe you are gone. I loved him like a brother. He was there for me when I lost my son 10 years ago. I am just hurt so bad. He always made you smile and had a kind word for you. He will be missed by so many people. Rest my brother. As we always said we we hung up on the phone. I love you man. Peace to your soul and to your Family. Kevin Griffin.*

“ Cuz, your void is great and still not quite believable. Your spirit, generosity, honesty, helpfulness and sincerity were felt by many, even when telling us what we don't want to hear. You've always made people feel like they were your best friend. Praying you take these qualities to your next assignment. You will be reminisced about often for a long time. RIP. Darrell Parks
