“ My condolences to Marquis family, friends and to all who loved him. I pray God gives us all some peace in this most difficult time. My heart is with you as you lay him to rest. He was a rock for me when we first started our military service and I was away from home for the first time ever. He always watched out for me when we were overseas on tour. He was family to me, he was my brother and I loved him. He will forever be in my heart and I'll miss him deeply. I will keep him and his loved ones in my prayers.
