“ To my Aunty Marsha

*I will always remember the time I spent with you and your family. I have fond memories of fun sleepovers, tons of laughter, and great wisdom. I will forever have the memory of you taking me to the Mall to get my 2nd ear piercing for my birthday one year while I was in middle school. I will miss you, but I know you are where you are supposed to be as an angel looking over all your children.*

*Love you always,  
Shari Francis (formerly "Jameison")*

“ Marsha Claire,  
I will always remember your smiling face, your willing heart and your awesome personality. I will never forget our numerous shopping shenanigans from Canada to Detroit- those were the good old days and when you moved to Florida, our bond grew closer with celebrating our kid's birthdays, with sharing much laughter at our family gatherings, but most of all I will never forget you being my dear and sincere friend. I'm so happy to have met- for all those memories will never fade away. May your perpetual light continue to shine even as you rest.

Auntie loved her babies.  
She always had clothes in layaway for them. They always looked nice  
and clean.  
She did not believe in wasting food. She would make you sit there until  
you finished it. Even if it got cold. Kisha should remember that. 😊  
Auntie had a good heart and was always bubbly.  
She was a strong woman.  
Much love to you all. I know she was proud of you.

*Mom Green... thank you for giving me a second home when I moved to Florida. As if you didn't have enough heads in the house, you still allowed me to be there practically every day lol. You didn't know how much I liked being at your house and being around your big family (I didn't have that). Now as an adult with children of my own, and doing the roller coaster of life, I have an even greater appreciation for you. Even if your own plate is full, always take time for others. Mom, I trust that you're up there smiling knowing we're all doing good and we're all still in contact. We're making you proud! Kim, Miek, Shak & Aaron, y'all took EXCELLENT care of your mother. xoxo*

*" A mother's love is always with her children. Losing a mother is one of the deepest sorrows a heart can know. But her goodness, her caring, and her wisdom live on-like a legacy of love that will always be with you. May that love surround you now and bring you peace."*
