“ Today we celebrate the life and legacy of Ms. Martha Archer. We are grateful for her vibrant life and for the most precious gift she could have blessed the world with, the lives of her beautiful daughters and grandchildren.

May her love of life and joyful spirit live on through them and all those who had the pleasure of crossing her path.

“ Martha had a beautiful spirit, loving personality, wonderful smile and very caring. We were family but bonded with my girls and I. Martha was a very wise person. She shared wisdom not just with me but others as well.

Not one time did I ever hear her complain. I will always remember the talks, laughter, the words of wisdom she instilled in me. I wanna share with the world the precious memories oh how they linger oh how they flood my soul but this lasting memory that Martha taught me that I wanna shout to the world “Always have a forgiving heart no matter how the world may treat you because you always want GOD TO FORGIVE YOU.” Lauren 🥺🥺❤️❤�

*I have made the choice to celebrate the life of Martha today!
She and I became Sisters in 1981...
I will reminder her fun loving spirit, her smile and her quest to enjoy life
to the fullest.
I'll always cherish the memories we shared.
A part of Martha lives on in my daughter Megan for whom she's the
Godmother, a role that she took very seriously.
The love, wisdom and energy she imparted will live on...
She will never be forgotten!
Her legacy will forever live on through her daughters and those of us
who love her...
Sweet rest my sister❤️
I know you're wearing your crown well.👑*

“ *I was Martha's next door neighbor for several years, we enjoyed
each others company when time permitted. When I moved from
Abbeywood, Martha and I remained in communication. Martha kept
me abreast of happenings at my condo, she sort of became mother
to my sons who live in my condo and sister to my brother. I will miss
her loving smile, sunny disposition and her dedication to all. My
deepest sympathy to her family and friends. There will never be
another Martha, so remember and practice any advice she has
given.*

“ *Ms. Martha, we started out as neighbors and became friends over the years. You were a joy to know. My heart breaks, knowing that I will no longer see your smiling face, across our shared lawn, and hear your greeting, "hey, Babygirl." I love and miss you more than I can say. I know and am comforted knowing that you are safe in the arms of our Lord and Savior. Rest in peace dear Friend!.....Marcia Stewart*
