“ *Monk (Martha C as my grandma always called her) was an amazing woman and always a joy to talk to. Through her, I learned about our family history and where we came from. Although she was my cousin, she felt more like a great aunt and was my grandmother's best friend. She was a phenomenal, smart, and spiritual woman who believed strongly in family and taking care of your own. Her legacy will be forever appreciated, and she will be truly missed.*
