“ *My wife Patricia and I would take the Eucharist to Martha every Sunday for many years.*

Martha was always filled with love and compassion for her family and eventually we became a part of that family.

Her faith in God was so strong that she always made us feel better by just spending time with her. There were truly many memories that we will cherish but the ones I would like to leave are of all of the times that Martha would ask us to pray with her for her family! She knew the power of prayer and she used it as a shield and for healing for her family all of the time. Those were and are precious moments.

Lastly I would like to share this - every time when we left Martha's room it always ended with a hug and she would tell us she loved us, then my wife would say she loved her more, and I would tell her I loved her the mostest! Then we would all laugh and say goodbye until the next week.

To know Martha was to know that she loved her family and God very much. She is one of those few that you just know went straight to heaven to be with God and those that went before her.

She will always remain in our hearts!
