“*Martiez, I thought it was a joke when I heard, a late April Fool's Day prank. I don't even have words to express how I feel. It is still so unbelievable that you're gone. But one thing I do know, you are now resting in OUR FATHER'S ARMS. My prayers go out to your family and all of your brothers & sisters at Bombardier. “ *Bostic, Martiez, I will truly miss all of the wonderful conversations we shared over the years. My wife greatly appreciated the encouraging words she received during a phone conversation prior to her cancer removal surgery last year - THANKS. On a personal note... it hurts! As I try and come to terms with the reality of missing those joking moments we engage in each week at work to get use through the tough and grueling moments. Brother Tezz you have taught me a great deal about the job and most of all the special and profound Word of God! In your God given words of chose, you reassured me time upon time that God will never put more on me than I can handle. I know you will make God smile with your presence... keep Heaven Smiling until we cross paths again. PEACE Safety Tezz your friend for eternity, DB*
