“ I will always cherish our phone calls and long talks. You were always here to listen to me and give me advise, talked about my kids and always sent them your love. I will always remember you taking Ish and me for wings when we visited Atlanta. One of my favorite memories of you. I will miss you deeply. I am so happy that I got to talk to you before God called you home.. I will remember your laugh and the way you said my name when you called. 😊 Eternal peace. Love you Uncle Cousin.

“ You will be missed. You were part responsible for me getting my first real job in Trinidad. You came all the way from San Fernando to Siparia to tell me of that job opening. I then left for the States. Then I was so happy to see you in 2023 when you came to Miami. I was happy to accommodate you. You then called me early this year to touch base. Did not realize that would have heard your voice Rest in Peace Martain. You will be missed.

“ Uncle Martin was one of the Maugé men who were instrumental in my sister and I getting to know and keeping in touch with this side of the family. He held us close. I will always remember and cherish the love, grace and provision he bestowed upon us. Across the seas, he made sure that we knew we could call on him if ever we were in need. Rest easy Uncle Marts. You fought the good fight. Now rest, until we meet again.

“ *"Life is but a stopping place,  
a pause in what's to be,  
a resting place along the  
road to sweet eternity.  
We all have different journeys,  
different paths along the way,  
We all were meant to learn some  
things, but never meant to stay.  
May you rest in peace
