“ Dear Allen Family: Please accept my sincere condolences for the loss of your loved one. May the love and support of family and friends comfort you greatly during this difficult time. The Bible also gives us comfort and hope to see our loved ones again by means of the resurrection. “There will be a resurrection of the righteous and the unrighteous “ May you have peace as you think about this beautiful hope for the future.

“ I was in shock when I heard of Marvin’s passing, I called him “The Tree Man”. He loved to laugh, had a great sense of humor and a warm heart. My deepest condolences to his family.

“ Some things just leave you speechless. Marvin's passing is one of them. I called Marvin "Boss Man." He cut some trees in my yard a few years back. I recall one time he demanded lunch and I asked what he wanted. " Some fried salmon, rice and biscuits." He was kidding but I did anyway. When I took it to him and his helper all I could see was that big bright smile. He was a fun person, easy to talk to and enjoyed his work. He made sure he did the best job he could do and charged an honest price. My condolences to the family and my prayers are for comfort in the days to come.

Paulette, reading your tribute made me smile because we fixed salmon, grits, and biscuits.
