“ Coach Pruitt coached me at Rockdale County High School in the early 90’s. He was a tremendous coach. He taught me a lot about hard work and what it meant to be part of a team. He believed in my sometimes when I did not believe in myself. Need more influential leaders of young people like Coach Pruitt. Condolences to Coach Pruitt’s family and friends.

“ *Coach Pruitt - a marvelous man with a big heart! His boys on the baseball field looked up to him and respected him for his energy and knowledge of the game. He will be sorely missed by the boys he coached and the parents who entrusted their children to whom he taught to love the game of baseball.*

*Our sympathies and prayers to his wife, children and extended family and friends that God will comfort and strengthen you during this grieving time.*
