“ I met Marvin my freshman year of high school along with his best friend Dennis. He was very nice. He always had nice things to say and never saw him get mad or upset. He has been doing photography for years. I am glad to see that he continued on with it as a career. He takes some awesome photos. It was a great pleasure to know him. If I had seen that he was MIA on Facebook, I;d reach out to see what was up. He told me that everything fine and great with him and the family that he was just taking a break. I never knew he was ill. But I understand his reason for not sharing. My he R I P. He has joined his loved ones. My deepest condolences and prayers to the family. May GOD be with in at this difficult time and give you strength to deal with this daily.
