“ This beautiful lady listened to what you had to say, told epic tales and narrated homespun stories that had you cracking up. She was an absolute delight and a treasure. I'll miss those conversations. I'll miss Mary. So glad I got to know her, had meals with her and spent time with her. Sending love from Seattle to Moses and Mary's family and friends. Wish I could be there with y'all to swap stories about this wonderful lady. But, I'm thinking about her. - Jamal
