“ To the Family members of Mary Dennis-Higgs, We offer these word as a remembrance of her wonderful giving life.

Letter to Nikki "How Swift the days pass! It makes us realize how short are the years we have left. Friends enjoy the cherry blossoms together on Spring mornings and then they are gone, carried away like the blossoms of impermanence, leaving nothing but their names. Although the blossoms have scattered, the cherry trees will blossom again with the coming of Spring. So shall Mary as she transitions with the Universe.

Death came to some yesterday, it may come to us today. Blossoms turn into fruit and Brides become mothers-in-laws Strengthen faith as we shall see her again.
