Tribute Wall

“ Dear Carolyn, Am very sad to hear of your mother's passing. I will always remember her kindness and gentle spirit when we traveled back to your hometown in Utica and stayed every once in awhile back in the day. She was so gracious and warm hearted and made me feel so welcome. I feel fortunate to have met her. She was one of those people who you cross paths with in life who makes you smile whenever you are reminded of them.
May your dear mother be rejoicing with God, now and forever.
