“ Mrs. Hall was such a wonderful lady she encouraged me when my mom died in 2000. She told me that I will be happy and have joy again. She also told me that my mom would pray with her because of a move that they were going to make to another state. There are so many memory. I enjoyed being in the choir with her. What an awesome singer she was. God bless you.

“ “Ma Hall” was what we called her in Wildwood. She was our neighborhood go to mom. Allowing us to congregate in her home sometime ten or more of the neighborhood kids all crowded down in her basement doing what kids do. She was patient, kind, warm and yet would let us know whenever we got out of line. She was once my go to when things got rough for me and instill advice that I would carry with me my whole life. My heart goes out to Derek and Sharon and her grandkids. I just want to say I am so very sorry for your loss and extend my deepest condolences and prayers to you. I love you. ❤️ I also want to thank you for sharing your mom with me and the rest of the Wildwood crew. Rest In Peace “Ma Hall” 🙏❤️😭

“ I met Ms Hall through Facebook. We shared a few comments and smiles a few times. I remember one time I had posted something and she said she wanted one. I said send me your address and I'll send you one. Ms Hall said, thanks but I'll have my daughter get me one. I had to laugh.. Of course I was really going to mail her one. Rest in Heaven Ms Hall.

*Mary was such a beautiful person inside and out. I had the pleasure of meeting Mary about three years ago and we became "fast friends". Even when serious illness crept into Mary's life she remained positive and always gave God praise. I will miss her, but she was a true inspiration to me. I'll bet that she is singing in heaven using that awesome Soprano voice that God blessed her with.*
