“ *Alice, my memories of you include how you and Tony welcomed me and my family into your home when me, my children, and my mom visited our cousin, Angela and her husband, Arthur (your brother). I recall a beautiful buffet meal you prepared for us and watching movies in your basement.*

*When I moved to Atlanta 7 years ago, you and Tony were one of the first people to visit my home and you all didn't come empty handed; you all brought breakfast.*

*I will continue to fervently lift Tony, Antonio, Tim, Lacey, your siblings: Arthur, Carolyn, Charles, Shirlene and all who knew and loved you in prayer.*

*May you rest in eternal peace. 🙏*
