“ To the family of Mrs. Mary Howard, you have my sincere condolences. When we lose someone in death it leaves a void in our lives that cannot be filled. Please allow the words from our Heavenly Father to give you the comfort you need. He promises us at Isaiah 25:8 and 1Corinthians 15:26, that our enemy death, will be eliminated. The conditions that plague mankind right now, such as sickness, pain and once again death, will be done away with (Revelation 21:3,4). I truly hope these words from our Creator will be a source of encouragement to you. May the love of family and friends also give you solace.
