“ - [] I met Ann back in the summer of 1975 while being stationed at Treasure Island in San Francisco, California. I met her at a church and that was when I had a divine encounter with my Lord and Saviour Jesus Christ. Her husband at that time was brother Pratt, we became brothers for life, whom I met while in the United States Navy. We were Best Men in each of our weddings. We remained close friends over the years, until both of their demise. This moment in time doesn't seem real. Ann, knew this day in time would come long before I met her and she made preparations. To be absent from the body is to be present with the Lord. Nanette, Craig, Mary and Syreeta, we are praying for you guys during this difficult moment in time. Sent with love from the family of Tommie Jones, Tampa, FL.

“ Great memories come to mind when I think of Ms. Ann Johnson-Pratt. She has known me for my entire life as she has been friends with my parents Mr. and Mrs. Tommie and Cynthia Jones since the 70s. I remember going on vacations during the summers and staying at her home with my Sisters. We had so many fun memories that we talk about until this day. Ms. Ann would also vacation in Florida to visit my parents and I. More recently since 2020, Ms. Ann and I became closer as we shared similarities, we would talk several times a week week and throughout the months. She shared so much of her history and educational knowledge. She has also shared her love for traveling and meeting new people. She never met a stranger and made people feel welcomed. I admire her for her strength and endurance. She will be greatly missed.

“ To my dear cousins, Craig, Mary Helen and Nanette. My heart goes out to you on the passing of Aunt Mary. She was a wonderful, wonderful individual. I remember when she came all the way to Colorado to visit us. That was the first time I met my Aunt Mary. I embroidered back then and she saw some of my work and asked that I embroider a butterfly on one of her blouses. I did and she really liked it. Through the years we stayed in contact via social media and what I always noticed about Aunt Mary was how positive and uplifting she was. We love you and will keep you and the family in prayer.

“ *My condolences to the family of Mary Ann johnson-Pratt. Mary Ann, was my life time friend. We visited each over the years.we attended reunions together at our loving high school. Lovingly known as good old 33rd. One of my favorite times was when she had the opportunity to speak at our reunion, she did an outstanding job. She was very proud of the opportunity, she felt so proud.I did too. She accomplished so much in her life time. She had sad time as we all do. The loss of she siblings hurt her deeply. Now she will be able to live with them for forever. She loved and will be forever missed Sleep now my good and faithful friend. I will see you in the earth made new.love kattie Cephus.*
