“ *Ms. Mary Jones*
I worked with her for several years at Georgia Regional Hospital, on the Admission Unit. I just spoke with her not a month ago and I can still hear her voice in my minds eye.
I only have fond memories of this wonderful women who loved her son and grandchild so very much. If I close my eyes I can see her with her hands on her hips and smiling letting me know something. You will be missed and I will keep your family in my prayers. RIH, Mary and pray for us all.
