Today is 2/27/2022 and I knew Mary for about 15 years through our jobs. I worked at Emory University School of Medicine. She was a hardworking, caring, kind and beautiful lady. I had been thinking about her so did a search and found her. I met Vernon a couple of times over the years, mostly at Departmental gathers and if anyone that knows him please tell him that I send my condolences. Carol Clingan (aka Mahoney).
