“ *Mary you will be truly missed, I remember when I renewed my wedding vows 30 something years ago and you volunteered to help out and you did a video and took pictures I always adored you and appreciated you. May you forever reign until we see you again. Rest on beautiful.*

“*Mary, thank you for being everything that you have ever been in my life. I cannot think of a time that I have not seen a smile on your face or an unwillingness to help. For the BEST wedding photos, all of the tips of using a computer, all of the tips of planning an event, all of the tips and tidbits of being a faithful member of MWMBC and most of all....THE LOVE that you have shown towards me and my family. Thank you for just being you. I am going to miss your presence so much.*
