I want to extend my condolences to the family of Mary P Brown. I met and worked with Mary at Trust Company Bank/ SunTrust. As others have commented, Mary was just sweet and kind, and always willing to help and encourage others. I'm grateful to have known her, and grateful for her giving me a hand when I needed it. “ Mary was a joy to work with and she will be deeply missed. After not seeing her for several years, I ran into her about a year ago when I visited her church and she "looked the same". I will always remember her quiet demeanor and fun loving spirit. Rest well, Ms. Mary

“ Mary was a true original. She had a wit and charm about her that no one could match. She shaped my career at Trust Company Bank and I think of her often. She later shared her family with me and I truly treasure that experience. She will leave a hole in my heart for a long time.

“ My heart is very heavy and filled with much sadness right now, it has been since I received the news of my long time best friend transition. Mary and I go back to our days at Trust Company later SunTrust Bank, we hit it off the first time we met and remain very close ...her name for me was always Lil Carolyn or Lil Bit, and she was known as Ms. Brown or Mary P.. Her family became my family and remain that way today. Mary has always been a very caring person and always willing to help and give her last when ever you need her. Her warm and friendly smile always light up the room. I'm glad our last conversation was 3hrs long, during her birthday. We kept planning to meet for lunch and continue to catch up , when the weather got a little warmer. I'm going to truly miss my wonderful friend. Still trying to wrap my mind around this ha happened, and I want to see Mary in the body but she will always be in my heart. Gone but never will be forgotten. Take your rest now in peace my dear friend.

Dear Family
I'm so saddened by the news of Mary's passing away... Mary was my very first supervisor that came to greet me when I got hired in at Trust Co then she had the most sweetest smile and kindness about her! I not only regarded her as my supervisor but a good person that always helped no matter what or when... Mary would give you the utmost attention whether it was work related or personal the kind of person that would give the shirt off her back! Mary I will truly miss you! May you rest in peace now and in the arms of Jesus 🙏❤️

“ I worked with Mary for many years at Trust Company Bank, later SunTrust Bank. She was a lovely, patient, caring person, very conscientious, always smiling, friendly, and willing to help. She kept up with many folks who had retired from the bank, and she knew all about their families and activities. She was a loving person and put her love into action by caring for others even when her own heart was heavy. My deepest condolences to her family.

It is with a heavy heart that I write this last testimonial to Louise - family, friend, and a very caring human being. We were joined by the marriage of our siblings, but we became good friends. Over the years, I witnessed her patience and kindness to everyone she met. I have come to learn that Louise loved deeply, laughed freely, and possessed a beautiful spirit. I already miss her, but I will never forget her.
