“ *Genuine, kind, smart, generous. Most of us only meet a few people in our lives like Mary; you meet and interact with them for only a brief time, and they leave a lifetime impression. My prayers of peace and comfort to her family.*

"Mary was one of the sweetest people I have known. Whenever I would see her, she was always smiling and if for some reason, she was not smiling, all I had to say was 'Mary wee' that was my name for her, she would start smiling. I am going to miss you. Rest in Peace!

Mary was always cheerful and helpful in every situation. She would help with any problems in a way that would build us up and encourage us to do our best with wisdom and compassion toward our students. She was such an integral part of our school we will dearly miss her every day. Rest on high my dear friend!

“ Mary was one of the first people I met from the Clarkston when hired at the Wesley Chapel location. She was so endearing and accommodating whenever I called about anything job related. The most special connection we shared was our last name "Preston" which was my maiden name. Although we were not related by blood or marriage, we always greeted each other as "cuz" She never gave the impression I was a bother when I did call and was always very supportive. She will always be in my heart as I loved her as a friend and kindred spirit. God bless you my friend!

“ Mary - all of your coworkers will always have such wonderful memories of your beautiful smile and your sense of humor. You and I had our own interesting fun going back and forth about room assignments, but it was always tongue in cheek and with a laugh. I will truly miss chatting with you in the halls. Rest well Queen.
