“ Mrs. Roberson was my third grade teacher at Dresden Elementary. I remember her very fondly as a woman who was passionate about teaching and was kind but firm to the students in her class. I remember her laugh when she was talking with friends in the halls. Later in life, I became a teacher myself and Mrs. Roberson was an EIP math teacher at this point. I feel very privileged that I got to work with Mrs. Roberson as a new teacher - she was supportive and helpful and kind. May her memory comfort you! Your family will be in my prayers. Mary will be missed but she will be remembered by many for she touched so many lives!!!
