“ I would like to be known as an intelligent woman, a courageous woman, a loving woman who teaches by being. ~ Maya Angelou

I have so many precious memories forever etched in my heart. Mother Woods, you were the epitome of a true woman of God. You wore strength and dignity as your outer garment. From your graceful table etiquette to how masterfully you folded every piece of clothing from the laundry basket, to how meticulously you carried out your morning routines to look your best. You demonstrated how to wear the crown of grace in every season of life with honor. Each story you proudly shared was a reminder of how to stand firm in the midst of adversity. I am so happy to have had the opportunity to be a student at the School of Materia Woods. No degrees that I have obtained thus far will be more precious than the wisdom I received from you. As I continue to navigate this journey of life, I will always cherish the life lessons gleaned from our conversations. May every seed you have deposited into the life of others continue to pave the way forward for generations to come. Rejoice in Heaven Mother Woods.

*Thank you and blessings to the Woods family for the opportunity to serve Mother Woods. “The God of peace be with you all” Romans 15:33
