“Therefore you now have sorrow; but I will see you again and your heart will rejoice, and your joy no one will take from you.”

John 16:22 NKJV

Matilda Green has finished the race. Even though her body has expired on this earth, her spirits still live because it's with our Heavenly Father. So, this is not a good-bye, but see you in a little while. Blessed you 💕

“ *Condolences to my extended family. Although I did not meet Mama in person, we connected in the spirit, when I saw the family visiting the ministry in Canada. Continue to reflect under wonderful memories that you shared with her, and also knowing that she came to know the heavenly father. Love you all, Sister Angela and Family.*

“ *Dear family and friends of Matilda Green
Take comfort in knowing that she has fallen asleep in Jesus and all who are born again, those who are alive and remain shall be caught up together with her (and all who are asleep) in the clouds to meet the Lord in the air. And thus we shall always be with the Lord.
Thank You Father. Thank You*

“ You have my condolences, the family of Ms. Green... I pray that as God will keep your minds at peace and at comfort during this time of mourning and remembrance, it will be known that God is a God who keeps promises. And although she is absent now in flesh, we will meet her again in Spirit. I pray that you will soon be in good cheer as you continue to lean on God and the things of God as He fills your mind with the understanding that she was placed here with a purpose, and that purpose has been fulfilled. Let not the departure of Ms. Green become a setback, but the life of Ms. Green become a newfound gratitude towards God and His grace!

Peace and blessings to you!

*“For to me, to live is Christ, and to die is gain.”
Philippians 1:21 NKJV*

“ My sincerest condolences to the family. I remember her with deep love and gratitude, a woman whose words were always laced with encouragement, faith, and grace. She spoke often of God and lived a life that reflected the strength and kindness of her beliefs. To me, she was a source of comfort, wisdom, and unwavering support. Her warmth and compassion left a lasting mark on my life, and I will always be thankful for the time we shared. Matilda’s legacy lives on in the many lives she touched through her faith, her love for her family, and the quiet strength she carried so humbly. She will be dearly missed but never forgotten.

“ One of my favorite memories of Mama is the way we could talk about anything and everything. She was always there to listen, to share, and to walk with me through whatever life brought. I'm going to miss her deeply, but I find some comfort in knowing she's now with our Heavenly Father

“ I was so excited to celebrate Mama’s 80th birthday last year! She was filled with so much joy! I loved when everyone shared there favorite memories with her. My favorite memory with Mama was every time I would come over to the house Mama would always be in the kitchen making something and taking care of the family. She was an amazing woman and will be deeply missed in my heart.
