“ I Candy on behalf of myself and my son Kadero, give my heart in prayer to your family. Matthew and my son met last summer and it was an instant connection. I felt my son would make a positive difference in someone else life during their journey. However the great impact and difference was extended to my son from Matt. He was sooo encouraging. I am sad for my son and the family, yet im overjoyed with the love that this young man showed to many strangers and friends. In Jesus name we are praying for your strength.
