“ Matthew was such an easy going person. He had such a cool and inviting demeanor about himself. I will miss your talks and conversations at work. I will miss how we always had fun during the “Empowerment” meetings at work. The last one I participated in you were the drum major and Felecia and I were the highsteppers. Carmenitha represented the cheer square. Bernard was on the drums. The entire performance was hilarious. Rest on Drum Major.

“ Matt, you will truly be missed. Thank you for the knowledge you share and checking in on us making sure we were good to go. I will miss you joyous, friendly spirit and smile that made the day easier. I'll miss you inquiring about those sweet potatoe mini pies. To the family:  
I pray for your strength and comfort during this difficult time. Lord, I ask you to comfort and strengthen the Kinsey family. I ask you to be with them while they struggle in the darkness of grief. May they recognize joy in the memories, hope in your love and peace in the pain.

Isaiah 41:10 reads:

Don't be afraid, for I am with you. Don't be discouraged, for I am your God. I will strengthen you and help you. I will hold you up with my victorious right hand.

Funny and friendly, he would never let you walk by without a hello and some conversation. Well Big Bro, the time has come. A time I never prepared for. Some people you think gone be here forever. You was one of 'em. A week ago today. My heart was ripped out my chest. A loneliness that can never be filled. Who gone pull up on me and my kids (unannounced), who gone call me to put me back in check (like only you can), who gone keep me smiling, when I wanted to cry. Your calls were always on time. I never had to say a word. You always knew. I just hope you know how much you meant to me and my family. Your absence is already felt. Rest Easy Big Bro, Until Next Time 🕊️🕊️🕊️💙💙💙💔💔💔

“ Matt was my trainer when I started in AUR in Sept 2019. He always made the class fun and would be like Drew, its easy work stop making it complicated. When I decided to leave AUR he said it was to easy for you lol. RIP Matt and your family and friends are in my prayers.

“ *Hello Matt. I know you are in Heaven still smiling, still positive, still loving. You were a beautiful spirit that shined amongst us all the time. I wished I new you as long as some others did but the time I did know you was so meaningful. I will miss our talks and the laughter. You will always be in my heart and you were truly loved by all.*

“ Hey Matt,  
I know you are in Heaven smiling down on all those who loved you. I just wish you had more time on this earth to love on your family and friends a little more. You always made sure you checked in on us with this work life. I inspire to be like you so charismatic, carefree, and compassionate. My Prayer is to have a strong impact on others as you had until we meet again my friend.

Aww, this just made me tear up. When we met him 2 years ago he welcomed us to AUR with open arms. He was always helpful and kind. He was always fun to be around. Thanks for always checking on us and making sure we were good. I have nothing but great memories. You will truly be missed. Rest in paradise my friend. My condolences to your family...

“ To the father of our 3 children - Jackson, Vanessa, and Serenity - the biggest pain in my side, and the man I gave my heart to over 15 years ago,

*Regardless of all we've been through and no matter where our journey has taken us, you are and have always been My Love. Nothing could change it - not conflict, not distance, nor time. Your remarkable humor, your stubborn determination, that smile, and with Band Music in tow. Loved and adored by your family and families of friends from all over the country. There will never be another quite like you and I will never be quite the same without you here.*

*Until Eternity, my heart, when I shall see you again and when this silver cord is broken. It is then that the two of us finally become the epitome of perfection in God's Perfect Home.*

*Keep Marching on until forever ...*

*Your Mrs.*
