“ *Matt.... where do I start. I love you so much and every time I think of you not being here with me, us, anymore...my heart simple sinks and I feel like I cannot breathe. I hope you know how much you meant to me, to all of us. I hate that I didn't get to see you before you passed and I hate that you didn't come back home to be with family. You needed to be with us and we needed you. I know all you wanted was to come home and that is what we wanted to, so that is exactly what I am going to do, I'm going to bring you home where you always belonged.*

I love you so much Matt. I will miss you like crazy!
