“ Matthew Fly Ware was my classmate at Cathedral High School in Indianapolis! I cannot believe Matt is gone! I remember when Matt went to school in Wyoming and later transferred to Tennessee State leading their basketball team to numerous victories. He was an excellent basketball player! I spent a lot of time at his house and he at mine. My family loved him! He drove a green GTO, we went everywhere in that car! We played basketball 🏀 all over the city and went numerous house parties together. We always looked out for each other! I miss my brother!

“ This saddens my heart deeply. Mr. Ware was a great man. He loved his practice and helping others around him. He always wore a smile and never had a complaint. I only knew him for a few years, whenever I called, he answered the phone and I was always sure to pick up the phone when he called. Life is so short and it seems like we have time to say or do what we need to, when the next second is not promised. I am blessed to have shared just a portion of life knowing him. Mrs. Ware and family, I am so sorry for your loss!!!

Noreen, you and Matthew were a light for us in a time of darkness. I remember once Matthew praying for you at the altar and my heart leaped for the love he showed. My kids will always remember him as Uncle Matthew with the wonderful, joyous smile. He may be absent from the body and present with the Lord, but he will forever be in our hearts. May God's strength comfort you. ❤️🙏🕊️
