“ *Mattie was an outstanding GBI employee, but more importantly, she was an exceptional person. Her humble spirit and smile would always make each day a little better. God Bless you Mattie-----Jim Burch-Retired GBI*

“ *Remembering Mattie Metcalf as a sweet gal with a winning personality. She was a dedicated GBI employee and very knowledgeable in the work she performed for the Bureau. She was a talented sign and banner maker, except for the signs she made for my 40th birthday and placed all over the Inv. Division. Most of all she as a loving mother to her boys and a loving wife to her husband. I will always remember her giggle. R.I.P. Mattie.*

“ *My deepest condolences to the family. Mrs. Mattie will truly be missed. She was like a mother to the ladies in the Intelligence unit. We learned a lot from her. She instilled and poured a lot of herself into each one of us.*

“ *Mattie,*

Your time on earth seemed were all too brief because we wanted you to live forever. While we really miss you, in our hearts we know that you are at peace. Still, countless times we find ourselves remembering you. Although, we cannot see or hear you, we know that you are with us. We see you in the brilliance of all four seasons, and beside us and in the quests for Kelley Chapel UMC excellence, and rejoice with us at any good news story.

We are thankful for the times we shared and the priceless memories too; for those memories are a comfort now when we remember you. I enjoyed the seven years we worked together in the Worship Ministry.

“*Mattie will be missed by so many whose lives she touched. She did what God sent her to do, and that is to let her light shine so men and women would see her good works and glorify God. Even after we both retired, Mattie and I kept in touch. She was so talented outside of the workplace as well. She helped me enjoy crafts. I took her card-making class at Kelley Chapel. Now, every time I make a card, I will mark it "in memory of Mattie".*

To the family, please know that I have been praying for you-- that God will strengthen you in your inner being and lift you up from your grief in due season.

Mattie will truly be missed, she was a very caring person who had so many talents. One of them being upholstery. It was amazing how she turn something old and beat up into something so beautiful. To the family, may God's Grace Comfort and Strengthen you during this most difficult time.

“*So much love and great memories of Mattie,,the Quiet Giant of GBI Intelligence!,,,Mattie and I first worked together on a statewide corruption case, and she used her analytical skills to forward the case, and keep us on track,,,through the years, she became the 'go-to' person when we needed the extra push to resolve a case,,when she retired, Mattie joined me at DJJ, and brought light to a needed resource. Most importantly, Mattie was loved by so many of us because of being so-even-keeled, and keeping her eye on the goal. Mattie illustrated to all of us the qualities of just being a good person. No one ever had an unkind word about Mattie, Obviously, Mattie's work on earth had reached its end. God's triumphant Angels now has a new one in their midst. Rest well, Mattie,,,your reward is richly deserved*
