“ Maureen was like a sister to me. We met while attending Georgia State University. We connected and have been friends ever since. She was a white cloud on my stormy days. When I was pregnant with my second child and wanted to quit college, she encouraged me to push through, when I wanted to stop. God sent her to be my comforter through a difficult time in my life. We graduated together, worked in the same business because we both enjoyed serving the community. I am saddened that we will not have that trip we planned for this summer, but I am joyed that she is now with our Father in Heaven. I love you always, Maureen.

“ *Maureen was my friend,and I will miss her. She cared for and helped a lot of young people on her job. She was always fashionable,pleasant, and she loved the Lord; therefore, I know that she's with Him. She's smiling for the Lord now. She loved her family, and my prayers are with you all. My the Lord God comfort you in this time, and let you know that you will see her again. She's only sleeping.*

SIP my sister Maureen! We miss you on earth but our loss is heaven's gain! Your big smile will be with us forever!

I feel so honored to have known you and blessed that even in your passing it serves as a reminder to me that my time on this Beautiful earth Is limited and that we should seize the opportunity we've to forgive, share, explore and love. I can think of no greater way to honor the passing of our beautiful and vibrant outgoing loving sister, than to live this way 🙏🙏🙏💕💕💕
