“ My heart is truly shattered. I would like to say I am honored to have worked with Meisha. We had many talks of the family she adored. To the family many prayers of comfort and peace. She was such a beautiful soul and always ready to listen if you needed to talk. There are so many wonderful things about her to say. Meisha you have those beautiful wings and Heaven has another beautiful Angel. Until we meet again.....RIP my sweet friend.

Meisha, I am so grateful that God has our paths to cross. I didn't expect you to get your wings but God had other plans. I will miss our talks and your laugh. You were the sweetest person I knew. May the family be comforted in knowing that you had an Angel with you, even if only for a little while.
