“ *Officer Joseph to hear of your passing was heartbreaking. I remember when you were first diagnosed with breast cancer you were at East Precinct, you came to me for guidance and words of encouragement and we would talk often. You held your own and you fought it. You were still motivated and determined to work even on your worst days. I am praying for your family, that God gives them the strength and understanding that they need at this heartfelt moment. Your memories will live on forever.*
