“ It was a pleasure and a joy to have been Melinda's Hair Stylist for over 15 years. She was always full of energy and life. She had the brightest eyes and smile. I had been trying to reach her for months to give her a wig she asked me to make. We lost contact I'm assuming because she had gotten sick. I just decided to search Google and my heart was broken to learn of this. My heart and prayers to her family. Her children were the light of her life. I'm praying God gives you comfort and strength. Your mother and family member, friend will be so arly missed...

“ I was honored and privileged to have taken care of Malinda at Emory Winship lab. She was very special to me from the first time I met her. She got comfort in seeing me on her Fridays but I tell you what I hope she knew how much seeing her on Fridays made my day. Her son McHenry took such good care of his mom. Have comfort in knowing she is in no more pain. She will be your forever guardian angel for you and your siblings.
