*To the family of Lachelle know that my family is with you at the time , there are no words that can express the true gravity of how you are feeling. I will always remember how funny and straight forward she was and how hard she loved her family! I am thankful that I have the memories of how she took care of Rj for me and looked out for Jazz while we where neighbors! From my Family to yours I am sending strength and prayers to you all! You have my deepest sympathy for the loss of Ms. Chell as I called her! Love the Williams Family, Rodney Sr, Nathalie, Jazz, Rj and Ari 🙏❤️*

“ *It is with a deep heart felt emotion that goes out to the family in which I offer my condolences. I am and so moved at this time, to see so many, so young with so much potential to leave in a memory. I lieu of flowers to the departed, I would like to offer a no-cost insurance policy for those whom care to receive it. 201-702-1418 bless you*

“ *We can't begin to imagine what you are feeling, but please let us share our heartfelt condolences. In just a little while all the pain and sorrow that we feel from the death of our love one will cease and be replaced with joy, because the former things have passed away. Truly sorry for your loss.*
