

Micah Calep Moore

September 27, 2002 - September 22, 2021

I lived my best Life

Micah was born in St Louis, MO on September 27, 2002 at 4:03pm to Breanna and Michael Moore. Since birth, Micah was a fighter who overcame many obstacles, born with a hereditary blood disorder that kept him hospitalized many times over his life. Micah spent half of his young life in St. Louis and later moved to Atlanta with his family in 2013 at the age of 10. Micah was known by his classmates as shy, funny and nice. Although shy, he met his best friend Malik in the 5th grade, and they remained best friends to date.

Micah was known to his friends and family as a positive influence that gravitated to like-minded friends who also have positive outlooks on life. We share the great memories and reflect with his family, friends and loved ones that Micah was kind, gentle, intelligent, ambitious and always kept a smile. Micah was the life of the party and a source of positive energy, light and love. Regardless of his adversities, he never complained. Micah remained humble, thoughtful, supportive, with a mind over matter mindset. This was confirmed by his smile, his loving spirit and ability to encourage others to be the best version of themselves.

During most of Micah's life, he overcame many obstacles with his health. However, his positive outlook on life and his strong faith in God pushed him to

believe that he could achieve anything he set his mind to. Micah's life was in a fast forward motion over the past 18 months and regardless of his health condition, Micah accomplished more than the average in a short time. He graduated from Grayson High School on time, received a 100% on his driver's test, mastered the skills of day trading, started training for a certified insurance adjuster position, real estate investing and actively took steps into his new chapter of life as a young teen on a higher spiritual level.

Micah enjoyed gaming with his friends, airsoft, playing basketball, skating, traveling with family, mastering new things and spending time with his first love and girlfriend- Feven-meaning Light. Micah left many great memories for his family and friends. His positive gentle force on life resonates with everyone he touched.

Micah leaves behind his mother and father Breanna and Michael Moore, his two older sisters Ashley and Ivana, older Brother Michael, his Grandmother Bennie Crawford, grandfathers Charles Taylor and Arthur Moore, niece J'anne, newborn nephew Eden, 6 aunts, 2 uncles, multiple cousins and a host of friends.

Even in these days of sorrow we truly understand that Micah lived his best life and is a blessing to all he has touched. No more pain, Micah. We love you.

“ *This wonderful great nephew was quite and smiling every time I saw him. He was helpful and caring with such a beautiful attitude. Whenever I inquired about him he seemed to be involved in a new project. I especially loved the way he would let me tease him about showing him some new skate moves. Precious great nephew, you will always be loved and missed.*

“ Each time we crossed paths I always admired your quiet and kind spirit. I remember how you and my son would run around and play while your mother and I played kickball in the hot sun. There are no words that would describe how my heart is aching; however, like your parents stated, you lived a full life and never wanted sympathy. It was a pleasure meeting and getting to know you.

Rest well and pain free young man,

Bayou

Anytime and every time I saw and talked to Micah it was always positive and humbling. I would always say to myself, “He’s gonna be somebody big when he grows up” I never saw my cousin in pain, but from the looks of him I would never have known! Definitely a diamond in the rough and I will always love you for just being you! I will always look up to you little cousin and all the pain is gone now, on to your next journey, you did your job here! -God like for sure 💜 love your cousin Shanita and family!
