“ So saddened to hear about the passing of “Big Mike.” He was a great guy and an incredibly talented QB. I had the privilege of playing semi-pro ball with him in Atlanta, and man-he could really sling it. He made me look like the second coming of Jerry Rice more times than I can count.

He was always in a good mood, and you could see how much he genuinely loved the game and being part of the team. He’s already missed and will be for a long time.

Rest easy, my friend—hope you’re still throwing those 7, 8, and 9 routes beyond the pearly gates.
