“ My condolences go out to you and your family Jarrett. It is so wonderful that the Lord gave you such an amazingly wonderful husband and father for kids and family. He was a very nice man and always had a smile when you would see him. God picked a wonderful man to come and join his family in heaven. He needed him. Just know that Mike will forever be watching over his family. May the Lord give you Strength and Peace during this trying time. I will keep you all in my prayers 🙏🙏🙏

“ One of my favorite coworkers at GVLA. We used to laugh and have a good time on Saturday. You called me Wacka Flacka and to this day, I don't even know why but I laughed and answered every time. It was a pleasure to know you in this realm. May your soul rest in Eternal Peace and your Spirit comfort your family and any life you have impacted. My condolences to your family🕊️

Thank you Quanis for sharing your story. It made me laugh. Mike was always making up words and coining phrases. That's one of the special memories about him that we will never forget. 💕

“ *Mike would call every week and would always have plenty of jokes. We would reminisce about our school days .Mike reminded me to check on our old friends and whenever he came to Memphis we would visit some of them. Mike kept a very positive attitude and never was critical of anybody less fortunate.Im praying for Jarette and family.*

“ My dear brother-in-law, I will miss you. You came into our lives when I was just a little girl. You were like a brother to me and a favorite uncle to my boys. I will always appreciate how you loved and adored my sister and will cherish the times we all had together. Those memories are precious - your laugh, your quirky smile and of course the jokes. You were always the life of our family gatherings. I know we have to accept that you are no longer with us but it is so hard. But I am comforted to know you are resting in the arms of my Heavenly Father. Rest peacefully my dear brother and I will see you again one day. Love, Jeanne
