“ I am happy to have called Mike a neighbor for many years. He and his family are friends. Since I usually walk the Neighborhood, it was not unusual to see him sitting in his garage. I would often stop to chat about something. Its odd to look over and know he wont be there. We will all truly miss him...

Godspeed, Mike!

“ I met my brother-in-law in June, 1982. I had just met his brother, Quintin, whom I would later marry and have 2 children with. ALL of my memories with "Mike" are good ones. He NEVER had a foul or unkind word to say about ANYONE. He welcomed me as his Sister and member of the Biggs Family. To be around him was filled with HUGE BELLY HURTING LAUGHTER! He was a wonderful naturally funny/ humorous person. My heart is filled with such unspeakable sadness; however, I will always remember the wonderful family times we shared together. To know Michael Wayne Biggs was to love him. May you rest in peace, brother-in-law, I will ALWAYS remember you and cherish having known you. Love, Sheila Biggs
