“ *I am saddened to the core. The last time I spoke with him, he was cracking jokes with my son Darkhai. They both attended Stockbridge High, however, they knew each other from Chapel Hill in their early years. May the family find peace and strength during this difficult time. You are constantly in our prayers. This baby will truly be missed.* 😞

“ I remember the first day I saw Michael on the field cause he wanted to play football he wanted to do a 1 on 1 and he got jammed the first time but the second time he went he beat a kid right off the line for a touchdown we all celebrated for him. Mike would've been a great receiver for the team we all loved him and we would always joke and play when we were at practice. Michael Cloud will always be in our hearts as a teammate and a friend Michael Cloud will forever be a Morrow Mustang

“ My heart goes out to the family and friends. When I heard the news I couldn't believe the story was true. I just saw him two days before. God really does work in mysterious ways, no matter what age you are. We are put on earth for a reason and a season. I am praying for strength for the family. And asking God to do the same for myself and friends. My heart is beyond heavy and can't stop thinking about the good memories I knew of MJ. He will be well missed and love. Ms.Hall .
