

Michael Hurse Ford

August 3, 1957 - April 21, 2020

Michael Hurse Ford was born on August 3, 1957 in Milledgeville, Georgia to Helen M. Ford and the late Mal. E. Ford. At an early age, his family relocated to Queens, NY. While growing up, Michael attended P.S. 140, I.S. 8, and Andrew Jackson High School. While attending I.S. 8 and Andrew Jackson High School, Michael was active in basketball. He loved the game. At Andrew Jackson, Michael was under the coaching and tutelage of the late Coach Chuck Granby who was an inspiration in his life.

As an adult Michael believed in giving back to the community with his time and guidance. He was a coach and mentor in the New York City Police Athletic League (PAL) program and he genuinely loved his role. He loved the kids and wanted to help guide them in the right direction. In New York Michael was employed with and retired from TWA. In the early 90's, Michael relocated to Stone Mountain, GA to be with his family. While in Georgia, Mike found a career in Federal Armed Security. His last employment was with Paragon Systems of Atlanta, GA. Michael also became active in a YMCA athletic program for youth and looked forward to coaching and mentoring the kids.

Michael was a good friend to many. He was known for his smile and his kind spirit. He could find the good in people and was always willing to lend a helping hand. He enjoyed grilling and was dubbed the grillmaster at home and friends' barbecues. Michael was blessed with a daughter Shameika M. Ford

from his union with Ruby D. Johnson. The love and pride he had for his daughter was immeasurable.

On April 20, 2020 our heavenly Father called Michael home. He leaves to cherish his memory his daughter Shameika M. Ford, his mother Helen M. Ford, two sisters, Gladys Ford and Connie Ford, two nephews Bobby Brown, Jr. (Elaine), and Harry Ford, Jr., four nieces Shelia Hart, Wanda Brown, Denise Vincent (Reginald), and Melody Ford as well as a host of loving relatives and friends (Southside!). Michael is preceded in death by three siblings: Melvin Ford, Harry Ford, Sr., and Evelyn Ford.

Michael will always be remembered as a loving son, dad, uncle, brother and friend. We love you my precious brother.

A live stream link will be available later for the memorial service to be held on Monday, April 27, 2020 at 1:00 PM.

My dear brother who for many years growing up together on Union Hall Street hanging on the stoop with other childhood friends, including his sister Connie, will surely be missed by many family and friends. We attended the same schools together at P.S.140 and I.S.8 where memories of running the playground will never be forgotten. Our second home on the basketball court at P.S.40 was a daily routine for Mike, Junie, Anthony, Vernon and his brother "Doc" Darryl, myself and another brother gone too soon Craig Johnson. Those were the days where we thought playing hoop was the only thing that mattered as we grew up together. My heartfelt prayers go out to the Ford family and I'm positive Mike left a dynamic impression on all your lives. Stay Blessed and always remember Mike is still and will always be a never ending part of all your hearts.

“ I’m still at a loss of words...I met Big Mike as many called him almost 18 years ago along with mama Helen and sister Connie. I knew Shameika but didn’t know that they were her family until a few years later. I use to fill his prescriptions and when he would come pick them up he would sometimes bring me lunch. He said he was just making sure I had lunch. He was always smiling and always so jolly! I’m praying for you Ford family and Meika thanks for sharing your daddy❤️

Big Mike told me that know matter what he would always find himself back with God. I know he is with Him now. So much love in this man. I will miss him.*

“ My sincere condolences to the Ford family for their recent losses. I am a long time, and very dear friend of Mike's sister, Connie. I knew Mike from visiting Connie, but it was after Connie invited me to Mike's 50th Birthday celebration, that I really got to know Mike. I'm not surprised that nearly every message speaks to what a nice person Mike was. I was glad to have known him.

“ I called the home often and Mike always picked up with a gracious hello Mother Hall. It use to bother me because I thought I would be disturbing him to speak to his Mom, Helen my Sister Friend. When I stated that he would say, no problem, I'll get her or give her the message you called. When I first saw him, i said to myself, He's a big man, but a gentle man of strength. He will be missed, even though I didn't know him long.

“ *Michael Ford (Ford is what we called him) was a good person. He was our guard at the Social Security office downtown Atlanta. When I first moved out here from out west. He was fun, kind and full of life. With his NY swag it was fun to talk to him because my then boyfriend now husband is from Brooklyn, so we had fun going back and forth about east coast and west coast. I enjoyed his presence and we (the office) missed him when he was transferred to another agency. I ran into him again at the Sam Nun building and this is just unbelievable that he is now gone! To his daughter and his family, I am so sorry for your loss. Such a good loving person and he will be truly missed!*

“ I remember the last 2 times I saw Mike, one was in the late 80's, it was on the basketball court when I lived in Far Rockaway... he saw me and came over and hugged me. IT made me feel good... because before that we were still in HS and we played against each other and his team always won.... the next time and the last time we saw each other was at a friend's birthday party in Atlanta. I remember after that, one time I called him on the way from work a few years ago... he answered, I say this is Charles... He said Charles? I don't know any Charles.... I said it is Charles Williams... He said where I know you from ? ... so finally I said this is Chuck as I was known then... Mike said,... What's up man with a smile in his voice. I know Mike as a nice guy from the hood, we grew up walking distance from each other in Queens. He was a class guy, It hurts to know he is not with us anymore. May he rest in peace with the Lord.

Shameika I just wanted to extend my condolences to you and your family for the lost of your Dad. I worked with Big Mike at the SSA office on Marietta Street.

He was a gentle giant of a man that treated the employees and clients with dignity and respect.

Regardless of the situation, he always had a smile on his face.

I can honestly say that I can't recall him ever getting mad at anyone.

My heart is heavy knowing that he is no longer with us, but we must rejoice knowing that he is with our Lord. I pray that you find peace and comfort in realizing that he's in a better place.

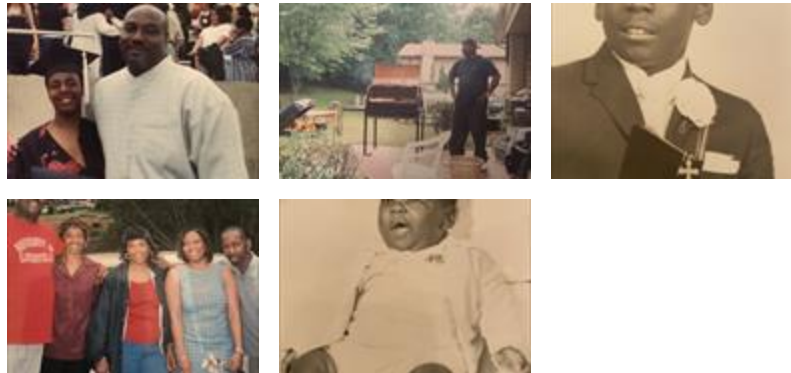

May God bless you
