“ My sincerest condolences to the family of Michael Johnson. Losing a loved one in death is painful. It is such times like this that we should look to the Almighty God for comfort. Psalms 34:18 says, "Jehovah is close to the brokenhearted; He saves those who are crushed in spirit."

*May your reflection on this promise and your many fond memories of Michael give you the strength you need to endure this difficult time.*

*Mike was a classmate and very good friend. We spent a lot of time together. Me and another friend Robbie Jones would write music for Mike's raps. I think we still may have some of the recordings. We never saw Mike again after high school because he moved from the area, but we have thought about him very often. I wish I could have spoken with and spent time with him again. My prayers to the family may God comfort you during this time. Rest easy Mike. The love for a friend never dies. no matter how many years past.*

*I was an upper Classmen (class of 86) of Mike's and I drove his school bus. I remember Mike having an awesome sense of humor and the gift of making others smile and laugh. To the family and close friends, I know it is a sad time but I bet you have many fun memories of him. Please try to use those memories to help lift you all through this sad time. We are keeping you all in our prayers. Rest in Peace, Mike*

*There are so many things I wanted to write, feelings I needed to express, memories I had to share. But if you knew BIG MIKE, then you know exactly what I'm feeling and what I'm talking about. When you loose an arm or a leg, life is never the same. That's how I feel with the loss of my friend, so I can't even imagine what the family is going through. My deepest condolences go out to all of you. I'll end this by saying MICHAEL A JOHNSON ( BIG MIKE) and allow you to fill in the rest.*
